CHEESE

**PREMIUM SWISS STYLES**

**Mild Swiss**

Award winning, sweet and nutty flavored Cheese with beautiful holes. This is what we're famous for!

**Lacey Baby**

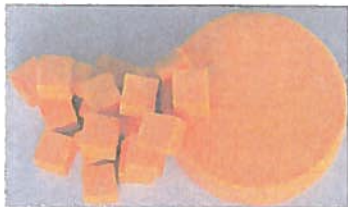

A creamy cheese with a slight Swiss flavor that is great for slicing on your cheese plate or with a sandwich. A Pearl Valley specialty!

**Baby Swiss**

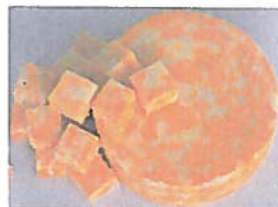

A mild softer bodied cheese with smaller Swiss type holes. Slightly creamier than regular Swiss cheese. An Amish Country favorite!

**PEARL VALLEY FAVORITES**

**Colby**

Mild and versatile for snacking, or slicing. Our Colby is always a hit with the younger Cheese lovers in your home.

**Marble**

Known as Co-jack by many, this beautiful two colored cheese is often the first to disappear off the cheese plate.

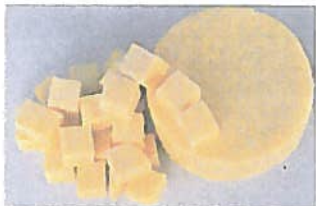

**Pepper Jack**

This Monterey Jack cheese has a spicy mix of red and green diced Jalapenos and Habanero peppers.

**Chipotle**

Smoked Hot Chipotle Peppers in our popular monterey jack cheese

**Farmers**

A white and mild cheese with that seems like a cross between Colby and Mozzarella. This cheese has slightly lower sodium and fat contents than Colby.

**Muenster**

A mild and creamy brick style cheese dipped in a natural annatto coloring to finish this incredible Muenster.

**Mozzarella**

A mild Italian style cheese perfect for making pizza.

**Horseradish**

White American processed cheese and lots of tasty natural horseradish added. This is an instant favorite for all the horseradish lovers out there.

**Bacon**

An American processed cheese that has bits of bacon added to create a unique flavor. Melts great on burgers and everyone loves BACON!

**Pepperoni**

This American based processed cheese has tons of real pepperoni pieces added. The flavor is amazing!

**Jalepeno Pepper**

An American-based processed cheese that has Jalepeno peppers added. It also melts very well in cheese dips.
